Sensations

Vitamin Shot_50 ml

An exquisite, concentrated revitalizing serum formulated with a real **burst of high-penetration bioavailable vitamins (A+C+E)**, enriched with **minerals and V-HYALURONIC** in an instantly absorbing fluid texture.

This unique formula features the **VITAMIN PEPTIDE SYSTEM**, an exclusive high-penetration biotechnological system that stabilizes and delivers vitamins, preventing them from oxidizing and helping them penetrate to boost their efficacy in the skin.

This exclusive, highly revitalizing concentrated vitamin serum acts as a shot of vitality at cell level and improves cell metabolism. It also maintains correct skin hydration levels and combats photoaging thanks to its intense antioxidant effect, thus protecting the skin against the passage of time.

Main active ingredients

Bioavailable vitamin complex (A+C+E): Complex with an intense **revitalizing** and **anti-aging** action. Its intense **ultra-revitalizing** effect is due to its vitamin-rich formula. These vitamins act synergistically to form a powerful protective system against free radical damage, while repairing visible skin damage as a result of photoaging.

V-Hyaluronic: **Intelligent hydrating** active ingredient of botanical origin that maintains optimal skin hydration levels. Retains water in the epidermis, preventing skin dehydration thanks to its film-forming action.

Minerals: Manganese-based active ingredient with an antioxidant action that protects and strengthens the skin against cell oxidation, thus preventing the signs of aging.

Who is it suitable for?

Suitable for all skin types, including sensitive skin. Especially formulated to treat dull and devitalized skin, and skin lacking radiance and requiring an immediate vitality boost.

Recommended even for sensitive skin.

HYDRO

Revitalizing Cream_50 ml

This **hydro-revitalizing cream** has a unique texture combining the richness of a cream and the freshness of a gel. It's formulated with high-penetration bioavailable vitamins (A+C+E), enhanced by trace elements, minerals and sublime camellia oil.

Its powerful anti-aging formula intensely revitalizes the skin, providing radiance, plumpness and vitality for a glowing, protected complexion. A multi-action cream that softens the signs of facial aging while improving cell metabolism to prevent photoaging.

Its global anti-aging action provides intense hydration which revitalizes the skin, leaving it radiant and full of life from the first application.

Main active ingredients

Bioavailable vitamin complex (A+C+E): Revitalizing and anti-aging.

7 Trace elements and minerals: Advanced multi-effect **regenerating, antioxidant, firming and moisturizing** active ingredient made with the most essential elements for good skin health: calcium, magnesium, manganese, zinc, copper, iron and potassium.

Camellia oil: This exquisite oil has an intense anti-wrinkle action and is extracted from camellia seeds, a flower native to Jeju Island (Korea).

Rich in fatty acids, it stimulates collagen synthesis and prevents its degradation, while reducing transepidermal water loss, which exponentially improves skin elasticity, firmness and hydration. The result: smooth and soft skin with visibly reduced wrinkles and expression lines.

Who is it suitable for?

Suitable for normal to combination skin. Unisex formula recommended for devalitized skin, especially skin lacking radiance and requiring an immediate vitality boost.

Recommended even for sensitive skin.

HYDRO-NUTRI

Revitalizing Cream_50 ml

This **intense revitalizing anti-aging hydro-nourishing cream** has a light, fast-absorbing texture. It provides a real burst of high-penetration bioavailable vitamins (A+C+E), trace elements and minerals, and is enriched with camellia oil and organic argan oil.

A true vitality boost with the perfect balance of moisture and nourishment, this intense anti-aging cream strengthens the

skin against photo-aging and softens the visible signs of aging.

An exclusive, innovative anti-aging formula that restores skin vitality for radiant, visibly younger looking skin that's protected against the passage of time.

Main active ingredients

Bioavailable vitamin complex (A+C+E): Revitalizing and anti-aging.

7 Trace elements and minerals: Advanced multi-effect **regenerating, antioxidant, firming and moisturizing** active ingredient made with the most essential elements for good skin health: calcium, magnesium, manganese, zinc, copper, iron and potassium.

Camellia oil: This exquisite oil has an intense **anti-wrinkle** action and is extracted from camellia seeds, a flower native to Jeju Island (Korea).

Organic argan oil: Powerful **antioxidant** oil high in vitamin E. Thanks to its rich nutritional composition, it can stimulate skin renewal, helping to soften the signs of aging and improve the skin texture. It also deeply nourishes the skin thanks to its high essential fatty acid content, with a fast-absorbing, non-greasy texture that strengthens the skin barrier and provides silky-smooth skin.

Orange blossom: Exclusive **natural moisturizer and plumper** that maximizes skin hydration, keeping it full and supple. Its advanced action increases hyaluronic acid synthesis in the skin by 44%, which ensures correct skin moisture levels. This results in plumper, fresher looking skin with diminished wrinkles due to increased water levels inside the intercellular spaces, which smooths the outermost skin layer.

Who is it suitable for?

Suitable for normal to dry skin. Unisex formula recommended for devitalized skin, especially skin lacking radiance and requiring an immediate vitality boost.

Recommended even for sensitive skin.
