# Golden Age

A rejuvenating cosmetic range that blends innovation and tradition in its formulas.

## *Agueda's Secret*

Three expertly developed formulas designed to reactivate the skin's longevity by addressing multiple levels of the aging process.

## Golden Age Intense Serum

50 ml 1.7 fl. oz.

A youth-restoring, hydrating, and firming serum featuring **Senolytic Tech**, high- and low-molecular-weight hyaluronic acid, and botanical stem cells.

Its advanced technology reactivates the skin's longevity by targeting aging (senescent) cells, encouraging their removal, neutralizing their negative impact on younger cells, and stimulating both external and internal skin renewal and restructuring. Gentle enough for even the most sensitive skin.

### ACTION AND RESULTS

- **WELLAGING REJUVENATION:** Senolytic action that "blocks" aging.
- **HIGH REHYDRATING POWER:** Improves skin turgor, delivering suppleness and comfort.
- **FIRMING:** Redensifies and reinforces the skin's structural framework, boosting elasticity and firmness.

## Golden Age Intense Cream

50 ml 1.7 fl. oz.

A lightweight, youth-restoring, nourishing cream with *exosomes* and *anti-senescence properties*.

Developed with *exosomes*, *vitamin B12*, and *biomimetic collagen*, this formula is infused with *exotic oils* and standout active ingredients such as *Argireline® Amplified* with a Botox-like effect, *Japanese cedar*, and *pro* and *prebiotics*, delivering all-encompassing care that is suitable for even the most sensitive skin.

Its anti-senescence properties effectively slow down the aging process.

With its regenerative, exosome-rich composition, it helps delay the appearance of aging signs in younger skin and revitalizes the youthfulness of skin with visible signs of aging.

### • ACTION AND RESULTS

- **GLOBAL REJUVENATION:** Powered by exosomes, capable of *blocking* cell aging.
- **LIFTING EFFECT:** Tightening action that enhances the skin's appearance and redefines facial contours.
- **REDENSIFYING:** Boosts the production of skin-plumping substances like hyaluronic acid, collagen, and elastin.
- **STRENGTHENS THE SKIN MICROBIOME:** Fortifies the skin's barrier, protecting it against the effects of time.
- **INTENSE NOURISHMENT:** Deeply nourishes for a suppler, velvety-soft skin texture.

## Golden Age Intense Ampoule

10 x (4 ml 0.14 fl. oz.)

An intensive, youth-restoring ampoule formulated with **amino acids** and **vitamin B12** combined with **Japanese cedar** to provide a boost of vitality and renewal to the skin, even for the most sensitive types.

An essential treatment that softens the signs of aging, leaving the skin nourished, radiant, and visibly rejuvenated.

### ACTION AND RESULTS

- **RENEWING AND PERFECTING:** Supports skin regeneration and renewal. Rejuvenates the skin's texture, correcting visible signs of aging.
- **REVITALIZING AND REJUVENATING:** Restores optimal cell energy levels, enhancing skin function for a revitalized and radiant appearance.

AMINO ACIDS · VITAMIN B12 · JAPANESE CEDAR

### APPLICATION METHOD

Apply a few drops of **Golden Age Intense Ampoule** to clean, dry face and neck morning and evening, using a vigorous tapping motion. Follow with a few pumps of **Golden Age Intense Serum**, applied with upward strokes and gentle pressing. Finish the routine once absorbed by applying **Golden Age Intense Cream** with a light self-massage, using medium pressure and enveloping movements. Additionally, throughout the day, **Golden Age Intense Ampoule** can be reapplied as a beauty booster, delivering an extra surge of vitality and renewal.
